A woman in a dark jacket and yellow lanyard stands on the left side of the courtyard, observing the activity.

A young boy in a green jacket is standing and working with wooden planks in the center of the courtyard.

A young child in a light-colored jacket is sitting on a small stool at a table, focused on a task.

A child in a brown plaid jacket is sitting on the ground at a table, working with materials.

An adult in a dark jacket is leaning over a table, assisting with the construction project.

A person in a dark jacket is working in the background, near a large window.

A person in a white protective suit is visible in the background, possibly handling materials.

A group of people, including children and adults, are gathered around a wooden structure in the background.

A man in a dark jacket with white stripes on the sleeves and a yellow lanyard stands on the right side of the courtyard.

A large wooden frame structure is under construction in the center of the courtyard, made of light-colored wood planks.

A wooden structure with a slanted roof is being built in the background, possibly a playhouse or a display stand.

Two small wooden tables are set up on the right side of the courtyard, with various materials and tools on them.

A white table in the foreground is covered with various tools, including a hammer, a saw, and containers of paint or glue.
